Ashvin Bonafede Chhabra et al.

Application No. 09/629,589

Filed: July 31, 2000

For: METHOD AND SYSTEM FOR

COMPUTING PATH DEPENDENT PROBABILITIES OF ATTAINING

FINANCIAL GOALS

DECISION ON PETITION
TO WITHDRAW THE

HOLDING OF ABANDONMENT

This is in response to applicant's petition to withdraw the holding of abandonment filed in the United States Patent and Trademark Office (USPTO) on February 4, 2003.

The petition is **GRANTED**.

A review of the file record indicates that the application was held abandoned for failure to properly respond to the Office action mailed June 27, 2002, and a notice to that effect was mailed on January 28, 2003.

The applicant has submitted a copy of a response which includes a copy of a post card identifying the response and which included a USPTO Mail Room receipt date of December 26, 2002. This is acceptable evidence of a timely response.

Since a timely response to the Office action was filed, the holding of abandonment is withdrawn and the application is restored to pending status. The application is being forwarded to the Supervisory Legal Instruments Examiner for entry of the response filed with the petition, then to the Examiner for prompt action on merits.
